

Honey Bears Out of School Club

Penns Primary School, Berwood Road, Sutton Coldfield B72 1BS

HONEY BEARS @PENNS PRIMARY TERMLY NEWSLETTER – NOVEMBER 2020

We hope all our children and families are safe and well, in these difficult times.

It has been lovely to see how well all our new Reception children have settled into the club, they are learning our routine really well, especially their understanding with hand sanitising between activities, and the importance of social distancing at this time.

The children in the younger bubble group have been enjoying lots of different activities such as, cooking, marble painting, sand art, bird feeder making. The children really enjoy having their own play dough pots and bubble wands too!!

They all had fun with the sparklers on the 5th November and for those who missed it we did it again w/c 23.11.2020.

Please could parents provide a plain white t shirt for a tye-dye activity Elaine will be doing with the children w/c 7.12.2020?

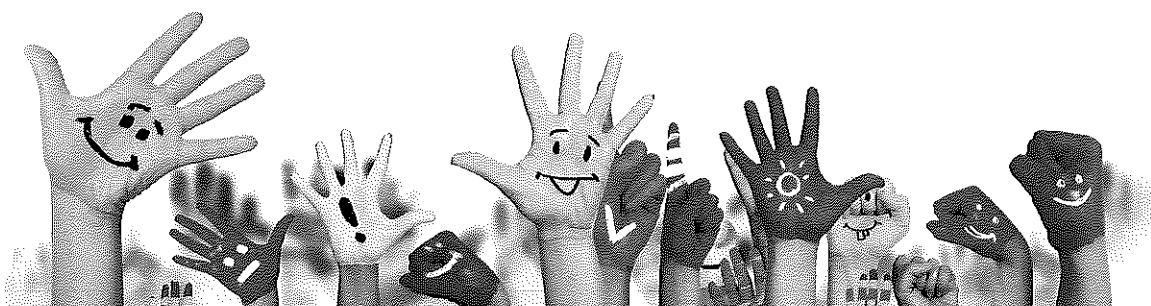

The older bubble group have been enjoying our new table tennis table, air hockey table and we are in the process of setting up a pool table for them also.

Both groups have enjoyed lots of outside play (at present this is now limited due to the dark evenings) but we are still taking the children down to the playground for at least half an hour in the afternoon on the dry days.

In the last 3 weeks of term we will be doing lots of Christmas activities with both groups.

We would like to thank all parents for your patience with the new collection routine. We really appreciate your support in waiting at the school gate whilst we get the children ready and down to the gate from the hut, this does take some time especially when other parents have phoned through (in the meantime) and more children are getting ready to come down to the gate at this time also.

Please be aware if your child/ren are off due to isolating or with symptoms of COVID-19, please could you let us know by getting in contact with Lana as soon as possible.

Please be aware if your child/children are off due to isolating or with symptoms of COVID-19 fees are still payable as per the parent contract you signed on your child/children's admission to the club.

A reminder to all parents please can you pay your monthly fee promptly by the 28th of each month ready for the month ahead, your co-operation with this matter would be greatly appreciated.

Myself and the team would like to thank you for all support this term and assure you we are working hard to make sure that the children who attend the club are in the safest possible environment during this challenging time

LANA, ELAINE AND RALPH
